Sarah,

I put them on the share drive in the sampling folder.

May Air Canister Sampling Results Final -

Ok, could you let Anne know the location?
Thanks,
Julie

Subject: EPA SP site - location of file

Good Morning Julie,

During the call with EPA staff on Friday, EPA indicated they have the air monitoring data and analysis from the around the St Francis Penn Ave facility. Can you direct me to where that information is on the EPA SP site?

Thanks

We are committed to service excellence.
